

Leadership Institute for School Principals

▶ why apply?

The Leadership Institute for School Principals offers public- and private-school principals in Kentucky an opportunity to receive powerful leadership training. The Institute is provided by Kentucky's business community through the Kentucky Chamber Foundation and in partnership with the BB&T Leadership Institute at no cost to participating principals.

The Leadership Institute for School Principals will deliver cutting-edge training to help principals:

- build a high-performance culture and lead change;
- explore how knowledge of individual strengths and developmental needs can produce positive outcomes for students, schools and communities; and
- practice new behaviors for positive results.

**APPLY ONLINE AT PRINCIPALSLEADKY.COM
APPLICATION DEADLINE IS FEBRUARY 27, 2017**

▶ program details

Location

The Institute will begin this summer with a 3-day session at the BB&T Leadership Institute in Greensboro, N.C., and will continue with a two-day session in the fall and another two-day session early in 2018 — both in Frankfort at the Kentucky Chamber of Commerce.

BB&T Leadership Institute

Building on its demonstrated success in developing business leaders, The BB&T Leadership Institute has customized a program to meet the specific leadership development needs of school principals. The program is delivered using a blended approach that combines face-to-face and virtual sessions with interim activities focusing on raising a leader's self-awareness, developing conscious leadership practices and improving skills critical to individual, team, and organizational performance.

Cost

If you are selected, Institute tuition, travel, food and hotel costs will be covered by the Kentucky Chamber Foundation — a \$9,000 value.

Attendance

Applicants are required to attend all sessions of the Institute. Participants will be required to pay any fees associated with late cancellation. Participants not attending sessions for any reason will be required to remit expenses (mileage, hotel, meal stipend) associated with the session missed and will forfeit applicable ELIA credits. Participants are required to notify Leadership Institute staff as soon as a potential conflict is discovered.

Time Commitment

Before applying, applicants should consider the additional time and effort this professional development opportunity requires. This is not a typical "sit and get" program and will require active participation through assessments, goal-setting and follow-up with a personal leadership coach on multiple occasions.

Selection Process

Principals will be selected through a competitive process. The number of participants will be based on available funding. **Successful applicants will be notified on March 24, 2017.**

▶ join the club

In 2011, the Kentucky Chamber Foundation launched the Leadership Institute for School Principals. Since then, more than 300 Kentucky principals have joined the exclusive club of graduates of this “game changing” program. This year dozens of elementary, middle and high school principals from across Kentucky representing both public and private schools will be selected. Apply today to ensure your spot in the Institute’s Class of 2017-2018.

▶ application details

Requirements

Applicants must be current Kentucky public- or private-school principals (vice or assistant principals are not eligible). Elementary, middle and high school principals are eligible. Preference will be given to those early in their career.

Application Process

Complete the application online at principalsleadky.com. Applications, including a letter of recommendation, must be submitted by midnight on **Monday, February 27, 2017**. Email letters of recommendation to leadershipinstitute@kychamber.com.

Letter of Recommendation

A letter of support from your superintendent (or immediate supervisor for private school applicants) is required. The letter should indicate why the applicant is qualified and would benefit from attending the Leadership Institute.
